

CURRICULUM VITAE
Constanza Inez C. de Dios, PhD

WORK ADDRESS

Louis A. Faillace, MD, Department of Psychiatry and Behavioral Sciences
Behavioral and Biomedical Sciences Building
1941 East Road BBSB 1306
McGovern Medical School, University of Texas Health Science Center at Houston
Houston, Texas, 77054
United States of America
E-mail: Constanza.Inez.C.deDios@uth.tmc.edu
Office: (713) 486-2870

PRESENT TITLE

2023-Present	Instructor (Non-Tenure Research) Louis A. Faillace, MD, Department of Psychiatry and Behavioral Sciences McGovern Medical School University of Texas Health Science Center Houston, Texas
Citizenship	United States of America

UNDERGRADUATE EDUCATION

2008-2012	B.S. Psychology Saint Mary's College of California, Moraga, California Concentration: Experimental/Neuroscience Psychology Summa Cum Laude
-----------	---

GRADUATE EDUCATION

2013-2016	M.A. Psychology University of South Florida, Tampa, Florida Concentration: Cognition, Neuroscience, and Social Psychology
2016-2019	Ph.D. Psychology University of South Florida, Tampa, Florida Concentration: Cognition, Neuroscience, and Social Psychology

POSTGRADUATE TRAINING

2019-2023	Postdoctoral Research Fellow Center for Neurobehavioral Research on Addiction Mentors: Robert Suchting, PhD, Charles E. Green, PhD, Joy Schmitz, PhD, Scott D. Lane, PhD University of Texas Health Science Center Houston, Texas
-----------	--

PROFESSIONAL ORGANIZATIONS

Regional	Gulf Coast Consortium for Mental Health Research
----------	--

National	Psi Chi Honor Society
International	College on Problems of Drug Dependence Cognitive Neuroscience Society Society for Psychophysiological Research Vision Sciences Society American Psychological Association

HONORS AND AWARDS

2011	Summer Research Award School of Science Summer Research Program, Saint Mary's College of California
2012	Frederick Whelan Psychology Department Award, Saint Mary's College of California
2012	Undergraduate Student Research and Professional Development Fund, Saint Mary's College of California
2014-2018	Conference Presentation Grant, University of South Florida
2020	First Place, Oral Competition, Applied Science Division, 10 th Annual Postdoctoral Science Symposium hosted by University of Texas MD Anderson Cancer Center Postdoctoral Association (Title: <i>Identifying predictors of opioid misuse in adult trauma patients using a Bayesian data science approach.</i>)
2023-2024	Recipient, Career Development and Research Excellence Mentorship Program in Psychiatry, UTHealth Faillace Department of Psychiatry and Behavioral Sciences (Funding toward project and training to aid early career development) Project Title: <i>Developing a prediction algorithm of aggressive events in a major psychiatry hospital</i>

EDITORIAL POSITIONS

2021-	Ad-hoc Reviewer Addictive Behaviors, BMJ Open, Cognitive Neuropsychiatry, Contemporary Clinical Trials, Drug and Alcohol Dependence, European Journal of Medical Research, Experimental and Clinical Psychopharmacology, Frontiers in Medicine, Frontiers in Pharmacology, Frontiers in Psychiatry, Frontiers in Public Health, JAMA Network Open, Journal of Affective Disorders, Journal of Health Psychology, Journal of Psychoactive Drugs, Journal of Psychopharmacology, Journal of Psychiatric Research, Nature Scientific Reports, Nicotine and Tobacco Research
-------	--

SERVICE TO THE SCIENTIFIC COMMUNITY

2014-2015	Brown Bag Lecture Committee Co-Chair Department of Psychology, University of South Florida
2015-2017	Secretary and United Faculty of Florida Senator (Elected) USF Graduate Assistants United, United Faculty of Florida
2017-2018	Graduate Representative to the Executive Committee Department of Psychology, University of South Florida
2025-	Data Safety and Monitoring Board <i>A randomized, double-blind, phase 2, efficacy and safety study of allogeneic HB-adMSCs vs placebo for the treatment of Crohn's disease</i> (T. Cheng, PI)
2025-	Data Safety and Monitoring Board <i>A randomized, double-blind, phase 2, efficacy and safety cross-over study of allogeneic HB-adMSCs vs placebo for the treatment of oligoarticular and polyarticular juvenile idiopathic arthritis</i> (T. Cheng, PI)

TEACHING

2013-2018	<i>Research Methods in Psychology</i> Lab Instructor Instructors: Marina Bornovalova, Ph.D., William Sacco, Ph.D., Michael Brannick, Ph.D. University of South Florida
2014-2016	<i>Introduction to Psychological Science</i> Lab Instructor Instructors: Jane Noll, Ph.D., Jennifer Bosson, Ph.D., Alaina Talboy, M.A. (Online) University of South Florida
2015, 2018	<i>Cognitive Psychology</i> Teaching Assistant Instructor: Kenneth Malmberg, Ph.D. (Online) University of South Florida
2016-2017	<i>Physiological Psychology</i> Instructor of Record University of South Florida
2018-2019	<i>Cognitive Psychology</i> Instructor of Record University of South Florida
2025	Biological Statistics and Study Design Guest lecturer, Multiple Regression and Interactions Instructor: Charles Green, PhD UTHealth Houston School of Behavioral Health Sciences

MENTORING

Postdoctoral Fellows

2025	Duckhyun Jo, PhD University of Houston K99/R00 proposal: <i>Development and evaluation of an AI-enhanced acceptance and commitment therapy for co-occurring cannabis use disorder and anxiety</i> Role: Statistics Consultant
2026	Samuel Leonard, PhD UTHealth Faillace Department of Psychiatry and Behavioral Sciences <i>Social anhedonia in co-occurring posttraumatic stress disorder and substance use disorder: The role of high-frequency heart rate variability as a biomarker and mediator</i> Role: Statistics Advisor

Interns

2021-2023	Jessica Badawi, MA, Clinical Psychology Intern UTHealth Faillace Department of Psychiatry and Behavioral Sciences <i>Types of traumatic experiences in drug overdose-related deaths</i> Role: Statistics Advisor
2021-2023	Sarah Tonkin, MA, Clinical Psychology Intern UTHealth Faillace Department of Psychiatry and Behavioral Sciences <i>HIV testing barriers among Black and Latina Women: An examination of medical mistrust, discrimination, and substance use</i> Role: Statistics Advisor
2025	Duckhyun Jo, MA, Clinical Psychology Intern UTHealth Faillace Department of Psychiatry and Behavioral Sciences <i>Beyond one size fits all: Culturally informed insights into ACT processes</i> Role: Statistics Advisor

Graduate Students

2015-2016	Carlene Horner, BS University of South Florida Masters Thesis: <i>The effect of value learning on attentional resources during top-down processing: An ERP study</i> Role: Dissertation Committee Member (External Reviewer)
2021-2023	Danielle Kessler, BS UTHealth Faillace Department of Psychiatry and Behavioral Sciences <i>Late positive potential as a biomarker of motivational relevance in substance use: Evidence from a meta-analysis</i> Role: Statistics Advisor
2025-2026	Ssu-Fang (Chloe) Cheng, BS Masters in Public Health Thesis: <i>The Role of Baseline Opioid Risk and Hospital Pain Strategies in Shaping Post-Discharge Outcomes: A Bayesian Perspective</i> Role: Thesis Supervisor and Committee Member UTHealth School of Public Health

Undergraduate Students

2018	Joelle Castle, Mark Zimmer University of South Florida <i>The effects of reward on attention: An investigation of reaction time and accuracy</i> Role: Primary Mentor
2018-2019	Steven Ford University of South Florida Bachelors Honors Thesis: <i>Independent Effects of Reward on Attention</i> Role: Primary Mentor
2018-2019	Vamshi Akula University of South Florida Bachelors Thesis: <i>Medial frontal cortex responses to positive and negative emotion prediction</i> Role: Primary Mentor
2019-2021	Kaitlin White University of South Florida <i>Feedback-related negativity responds to presence or absence of motivationally salient images regardless of valence</i> Role: Primary Mentor

GRANT SUPPORT

*Primary statistician role

Current

2021-2026 (NCE)	Development and pilot testing of a mental health clinic-based PrEP uptake and adherence intervention for women in treatment for trauma-related conditions National Institute on Drug Abuse NIDA R34 DA055496 PI: Angela Heads, PhD & Ronald Acierno, PhD Role: Co-investigator 0.17 cal \$702,000 total \$150,000 direct/year
2024-2027	Development of a behavioral economic Intervention to improve HIV-related behaviors among sexual minority men National Institute on Drug Abuse NIDA R34 DA060078 PI: Chukwuemeka Okafor, PhD, MPH Role: Co-investigator* 0.72 cal \$264,091 total
2025-2026	Daily Associations Among PTSD Symptoms, Alcohol Use, and PrEP and ART Adherence Among Women Living with or at Risk for HIV NIH Texas Developmental Center for AIDS Research NIH P30AI161943 PI: Angela Heads, PhD Role: Co-investigator* 1.2 cal

	\$50,000 total
2025-2027	Stepped-Care Cognitive-Behavioral Therapy for Children and Adolescents with Anxiety Texas Child Mental Health Care Consortium (TCMHCC) New and Emerging Children's Mental Health Research (NECMHR) PI: Andrew Wiese, PhD Role: Co-investigator* 0.6 cal \$474,974 total
2026-	UT Homeless Outpatient Mental Health Expansion Services Substance Abuse and Mental Health Services Administration SAMHSA H79SM088614 PI: Jane Hamilton, PhD Role: Evaluator* 3.0 cal \$1,499,992 total \$500,000 direct/year
Pending	
2025-2027	Examining trauma-induced late positive potential to cocaine cues in comorbid cocaine use disorder and posttraumatic disorder: A combined laboratory and ecological momentary assessment study Centers for Disease Control and Prevention NIH NIDA R21DA062201 PI: Heather Webber, PhD Role: Co-investigator 1.20 cal \$429,000 total (requested)
2024-2027	Vadadustat for the prevention and treatment of ARDS due to suspected aspiration, pathogen-associated pneumonia, or sepsis Akebia Therapeutics, Inc. Project number TBD PIs: Holger Eltzschig, PhD, and Bentley Bobrow, PhD Role: Co-investigator 1.20 cal \$3,000,000 (requested)
2026-2028	A Seamless Phase IIb/III Trial of Vadadustat for Nonintubated ARDS Due to Pathogen-Associated Lung Injury Department of Defense PI: Holger Eltzschig, PhD Role: Co-investigator 2.40 cal \$7,999,444
Past	
2021-2022	Removing Barriers to Effective HIV Prevention Strategies for Individuals with Problematic Substance Use Disorders NIH Texas Developmental Center for AIDS Research Pilot Project for NIH P30AI161943 PI: Angela Heads, PhD Role: Co-Investigator* 2.4 cal \$50,000 total
2021-2024	Assessment of pioglitazone to address stress reactivity and alcohol use disorder National Institute on Alcohol Abuse and Alcoholism NIAAA R21 AA027274 PI: Jin Yoon, PhD

	Role: Co-investigator 0.24 cal \$409,500 total \$143,750 direct/year
2023-2024	UT Homeless Outpatient Mental Health Expansion Services Substance Abuse and Mental Health Services Administration SAMHSA H79SM080721 PI: Jane Hamilton, PhD Role: Co-investigator* 3.36 cal \$2,499,949 total \$500,000 direct/year
2022-2023	Hope Biosciences (Contract) PI: Constanza de Dios, PhD Role: Statistical Design and Analysis Consultant* 1.98 cal \$19,032 total
2021-2024	A randomized, phase 2 clinical trial of HIF activator vadadustat for prevention or treatment of ARDS in hospitalized COVID-19 patients U.S. Department of Defense W81XWH-21-10032 PI: Holger Eltzschig, MD, PhD, & Bentley Bobrow, PhD Role: Co-Investigator 0.86 cal \$2,994,147 direct/year
2023-2024	Identifying EEG signatures of cocaine use severity and initial cocaine abstinence Faillace Department of Psychiatry and Behavioral Sciences Seed Grant Funding Program FY2023-2024 PI: Constanza de Dios, PhD Role: Principal Investigator \$25,000 total
2020-2025 (NCE)	Pioglitazone as an adjunct to CBT for cocaine relapse prevention National Institute on Drug Abuse NIDA R01 DA048026 PIs: Joy Schmitz, PhD & Scott Lane, PhD Role: Co-investigator 0.29 cal \$2,527,859 total \$449,353 direct/year
2024-2025	Prevention of hemorrhagic shock-induced acute kidney injury by targeting hypoxia-sensitive ATP4A with pantoprazole: A prospective randomized controlled trial University of Texas Trauma Research and Combat Casualty Care Collaborative PI: Yafen Liang, MD Role: Collaborator* 1.08 cal \$500,000 total
2021-2026 (NCE)	Development and pilot testing of an addiction clinic-based PrEP adherence intervention for women with substance use disorders Centers for Disease Control and Prevention CDC U01 PS005209 PI: Angela Heads, PhD Role: Co-investigator 0.29 cal \$762,095 total \$350,000 direct/year
